FEEDING DIRECTIONS

Feed free choice with access to native forages or with good quality hay. Feed consumption will vary depending on availability of other feeds, time of year, weather conditions and other genetic and environmental variables. Feed 16% Deer Pellet as a supplement only. This feed is not designed to be a complete ration. WARNING: Be certain to store feed in a dry, well ventilated area that is protected from rodents and insects. Do not feed moldy feed or insect infested feeds. Feeding moldy and insect infested feeds may cause illness or death
